

E120955 PERSONAL HYGIENE REFRESHER

CAUTION:

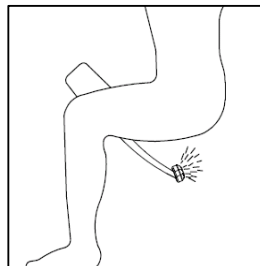

- **THE ULTIMATE HYGIENE REFRESHER SHOULD BE THOROUGHLY WASHED BEFORE AND AFTER EACH USE.**
- **DO NOT USE THE ITEM WITH BOILING WATER.**
- **FOR EXTERNAL USE ONLY.**

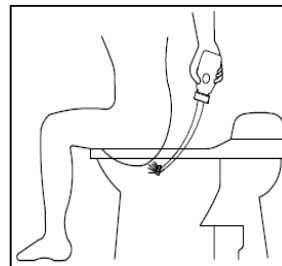

Fill bottle with water and thread the cap on (**thread the cap on firmly**). Make sure the gasket is properly fitted inside the cap.

When ready to use turn the refresher upside down at an angle to avoid water leaking out.

Direct the sprayer in the appropriate area and squeeze the bottle to wash the intended area.

The long curved nozzle is designed to provide extra reach for those hard to reach areas.

*** Due to hygienic reasons this product is not returnable. Your statutory rights are not affected. "**
