

Magic-Gutter

Ecological unclog bags

Thanks to **Magic-Gutter**, your gutters and water drains will be cleaned. Simply 'throw' a self-dosing bag on the roof or in the gutter without using a ladder. No more risk of falling and you never need to rent expensive cleaning equipment. Very easy to use, **Magic-Gutter** cleans naturally your gutters and water drains. The **ecological** agents contained in the self-dosing bags are activated by the first rain and will dissolve clogs, mud and moss quickly. Thanks to its super-concentrated biological formulation, the result appears in a few days. Works perfectly with all type of gutters and all rainwater recovery systems. Using: 2 bags for \pm 10 M gutters. Repeat the operation 1-2 times per year after the autumn/winter period and adapt it according with your roof size, exposure and environment of your home.
