

Rug Refresher

Components

Cleaner head

Bottom part
of the pole

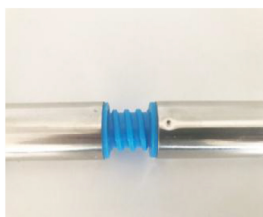

Middle part
of the pole

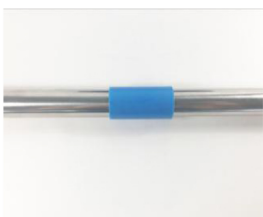

Top part
of the pole

Assembly

Step 1: Screw each parts of the pole, and confirm they have been connected firmly.

Step 2: Slide the plastic part to cover the joint.

Step 3: Screw the bottom of the pole into the cleaner head.

Usage

Spray the detergent on the rug where you need to clean, then sweep the spot several times to refresh the rug.
