

Dimensions:

Diameter 26.5cm x31.5cm

Max load: 10kg

Parts

1.	2.	3.	4.
4x side panel	4x stanchion	1x base	24x M3.5 x 12mm

Assembly instructions:

1. Invert the base then attach the stanchion (2) on the base (3) one by one and use 2x screws (4) for each corner for fixing.
2. Connect the side panels (1) with the base (3) one by one and to each other. Use 2x screws (4) for fixing each panel to the base and 2x screws (4) per panel to connect the panels (see product image above).
3. The planters are ready to use.

Safety and care advice

1. Check to see if you have all the components.
2. Do not use power drill/drivers for inserting screws, as this could damage the unit. Only use manual screwdrivers.
3. Do not stand or put weight on the product as this could cause damage.

Care and maintenance

1. From time to time check and tighten screws as required.
2. Only clean using a damp cloth and mild detergent. Do not use bleach or abrasive cleaners.

DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
