

**max. weight load: 2.5kg**

No need for screws, nails or tape

Sticks to any smooth surface. Each clip holds up to 2.5kg

## INSTRUCTIONS FOR USE:

### To apply:

1. Clean surface and let dry completely.
2. Remove protective backing film.
3. Place clip on clean, dried surface and press firmly at the centre of the clip.
4. Press thoroughly around the surface to squeeze air out from the adhesive backing.
5. Pull clip gently to make sure it is completely stuck to the desired surface.
6. Wait 30 mins before using (For maximum holding strength wait 24 hours).

### To remove:

Gently and slowly pull from edge. DO NOT BEND.

### To reuse:

1. Wash backing with warm soapy water to remove dust and dirt particles.
2. Allow clip to air dry completely before re-applying.

## IMPORTANT:

- Works best on clean, smooth surface.
- Will NOT work if there is warm soapy water, oil, wax or dust on backing or surface.
- Remove foreign particles with water if necessary. Let dry completely before reusing.
- Do not cut, bend or twist the backing.
- Do not use higher weight capacity than indicated.
- Do not use near open flames or high temperature devices like a hot plate.
- Do not hang dangerous or flammable items and do not hang over beds.
- Not intended to use with antiques, heirlooms, or other valuable or irreplaceable items.
- Not intended for use by children 3 and under.
- Not intended to use on brick, unfinished wood or unsealed marble.

## DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
