

## Dimensions:

Base 15cm diameter

Height: 42cm

## Specification:

Solar panel 55mm x55mm 5V 125mA (located on the top of the head)

Lithium 3.7V 600mAH included (not replaceable)

Base includes 2 brackets for mounting on fence/wall

LED lights fixed non replaceable

- 24-hour Operation
- Motion Activated detecting movement up to 8m away
- 360-Degree Rotatable Head
- Realistic Hoot
- Flashing Eyes

## Instructions

- To install the Owl, fix the Owl on the flat surface with two screws at bottom. Or open the circular cover and insert a pole (not included) into the hole at bottom, then rise the pole to vertical position.
- The owl can be filled with sand to weigh it down.
- The switch is at bottom of the owl's head. Set the switch to the middle position to mute the owl.
- To activate the hoot, set the switch to the end position.

## Location

- Select a location with at least 8 hours of direct sunlight every day. Keep away from obstacles such as trees, shrubs etc.
- Shadowed location or obstructions to daylight will make it impossible to charge the battery fully and will reduce the lighting time at night. Location should not be near a night time light such as porch lights or streetlights.
- For best results, change the owl's position periodically.

## BATTERIES

- Keep batteries away from children and pets.
- Do not mix used and new batteries.
- Install batteries in accordance with its polarity symbols.
- Remove the batteries if left for long periods.
- Never dispose of batteries in a fire.
- Keep batteries away from children and pets.
- Battery disposal, spent or expired batteries must be properly disposed of and recycled in compliance with local regulations. For detailed information, contact your local authority.
- Follow the battery manufacturer's safety, usage, and disposal instructions.

## DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household WEEE waste recycling centre.
