

Dimensions

1.6cm x14.1cm (L)

Composition

Stainless steel 410

- 2in1 foot care tool
- Use the larger callus remover head to shave and remove dead skin cells
- Use the smaller cylindrical pin point head to remove warts and tougher skin
- Precision size to target affected areas
- PERFECT SIZE TO ADD INTO YOUR WASHBAG
- Effectively removes dead, hard & cracked skins or callus on foot

ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

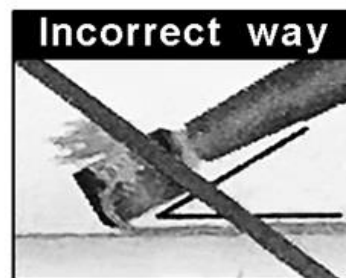

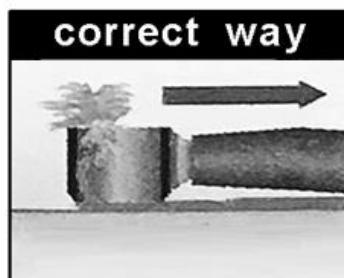

Unpack the components carefully. Please check all parts have been removed from the packaging.

Soften the calluses by soaking your feet in soapy water or after a bath. Dry your feet before using callus remover.

After treating calluses, wipe area with a damp towel and condition your skin with moisturising cream to keep it clean.

Use large head on areas of hard skin i.e. heel. Gently scrape off excess Keratin to smoothen the skin.

Use small cylindrical head to treat raised calluses and fine parts of calluses. By rubbing lightly holding the head horizontally – not at an angle – calluses can be rubbed away.

Cleaning

- After use, rinse the product with water, dry and store in a ventilated place.
- Rinse the product with water to remove dirt to re-sharpen.

DISPOSAL

- Coopers of Stortford use recyclable or recycled packaging where possible.
- Please dispose of all packaging, paper, cartons, packaging in accordance with your local recycling regulations.
