Warning

- Always ensure ladder is fully unfolded and hinges, footplates are securely in position before use and the top rung is locked on the cross-frontal shelf.
- DO NOT USE if damaged in any way.
- Maximum weight load limit: 150kg
- Do NOT exceed the maximum weight load limit. Only one person should mount the ladder at any time.
- Always take care when mounting and dismounting. Always mount and dismount facing towards the ladder.
- Always clear the work area of any hazards or obstacles before use, including overhead.
- Always wear suitable footwear when using the ladder.
- Do NOT lean from the ladder. Always re-site the ladder to a more suitable position.
- Only use on a firm, flat and level surface.
- Periodically check that all nuts and bolts are secure and joints are well lubricated.
- For domestic use only.
- Children should be kept away from the work area. Do NOT allow children to climb on the ladder.

*Calls cost 7 pence per minute plus your telephone company's network access charge
