To use (Scrambled Egg)

1. Simply crack your egg into the bowl. (Can cook up to 4 eggs).
2. Close the lid – hold the handle and give it a shake and the in-built prongs will whisk for you.
3. Pop into the microwave (with lid on) and cook for 40 to 60 seconds (Note: time will vary depending on your microwave power).

Important

- Always take care when removing bowl from the microwave, as it may be hot.
- When lifting the lid be aware there might be hot steam coming from the bowl.
- Never leave your microwave unattended while cooking.

CARE AND CLEANING INSTRUCTIONS:

- Dishwasher safe

DISPOSAL

- Coopers of Stortford use recyclable or recycled packaging where possible.
- Please dispose of all packaging, paper, cartons, packaging in accordance with your local recycling regulations.
- Plastics, polybags – this is made from the following recyclable plastic.

Code & Symbol	 PP
Type of Plastic	Polypropylene
Commonly used for	Microwaveable food containers, yoghurt pots, butter tubs, disposable plates and cups
Notes	Commonly recycled and collected from household recycling bins (packaging tape itself not recyclable but does not interfere with cardboard)

- At the end of the product's lifespan please check with your local council authorised household waste recycling centre for disposal.
