- WITH THE LANTERNS ON TOP SOLAR POWERED THAT LIGHT UP AT DARK, EACH CHERUB IS REACHING TOWARDS THE LIGHT
- IN A TRADITIONAL STONE LOOK FINISH (Polyresin)

Battery 1.2V AA 300mAh NiMH rechargeable

## ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

Unpack the components carefully. Please check all parts have been removed from the packaging.

### Find an ideal Place for the Solar Light.

Place the solar light in an area where it will receive direct sunlight for at least 8 hours per day. The number of hours the light will illuminate is directly proportional to the hours of sunlight it receives. If the light is placed in a shaded area, it will not be able to fully charge and its illumination time will be limited. Do not place the light near other outdoor lighting like porch or streetlights. These may fool the sensor and keep the light from coming on, or cause it to turn off automatically.

### **Replacing the battery**

Use a screwdriver (not provided) to unscrew the screws, gently remove the cover and replace the battery with an equivalent rechargeable battery. The location of the battery compartment is at the back of the angel.

\*Calls cost 7 pence per minute plus your telephone company's network access charge The Enterprise Department Head Office: 11 Bridge Street Bishop's Stortford, CM23 2JU Tel: 0844 482 4400\* Fax: 01279 756 595 www.coopersofstortford.co.uk

### **Care and Maintenance Recommendations**

- 1. Clean solar panel with a soft sponge every couple of weeks.
- 2. Make sure all connectors are still tight and no water getting in.
- 3. During the winter if you can bring it inside and give a good clean ready for next year.

### BATTERIES

- Keep batteries away from children and pets.
- Do not mix used and new batteries.
- Remove the batteries if left for long periods.
- Never dispose of batteries in a fire.
- Battery disposal, spent or expired batteries must be properly disposed of and recycled in compliance with local regulations. For detailed information, contact your local authority.
- Follow the battery manufacturer's safety, usage, and disposal instructions.

### DISPOSAL

- Coopers of Stortford use recyclable or recycled packaging where possible.
- Please dispose of all packaging, paper, cartons, packaging in accordance with your local recycling regulations.
