Assembly

CAUTION:

- Do not use or try to erect in windy conditions – this may cause injury or damage to the Screen.
- Keep your hands away from moving parts as the frame opens and closes to avoid pinching.

Garden Furniture Maintenance Recommendations

1. Always make sure all the bolts and screws are secured and tight this will stop putting stress on the item. Do this regularly over the year.
2. Over the winter months wash down metal furniture with warm soapy water and use non – abrasive cloth or sponge before rinsing and drying.
3. Bring the Shade Screen to store inside over the winter months.
4. Always try and place your garden furniture on level surfaces.
5. You can carry out maintenance on your garden furniture any time.
6. Check your furniture after windy spell of weather.

DISPOSAL

- Coopers of Stortford use recyclable or recycled packaging where possible.
- Please dispose of all packaging, paper, cartons, packaging in accordance with your local recycling regulations.
- Plastics, polybags – this is made from the following recyclable plastic.

Code & Symbol	
Type of Plastic	High-Density Polyethylene
Commonly used for	Milk bottles, cleaning product bottles, yoghurt pots, butter tubs and other food containers
Notes	Commonly recycled and collected from household recycling bins. Check with your local authority

- At the end of the product's lifespan please check with your local council authorised household waste recycling centre for disposal.
