### ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

Unpack the components carefully. Please check all parts have been removed from the packaging.

#### Attention

1. It is recommended to first wet a flannel with hot water and press it against your eyebrows for 2-3 minutes.
2. Use cosmetic mirror to obtain a clear vision.
3. Comb up your eyebrows with the comb tip. Start combing from the bridge of your nose and move outward.
4. When using eyebrow scissors, keep the side with the comb tip close to your eyebrows, and do not directly put the metal part close to the skin. Trim hairs that stick up higher than the rest of the eyebrow moving from the outside end of the eyebrow along the top line.
5. Then comb eyebrows down and trim hairs that are longer than the overall length of the eyebrow.
6. After use, please wipe the product and store it in the PU bag.
7. Please keep the product out of the reach of children.
