- Assemble according to the diagram.
- Open cover during the day and close again at night. Note: When the door is unzipped and rolled up, it can be held open by the tie provided.
- Place in a secure location and protect from exposure to strong winds, ideally against a wall or fence or use with 4 GROUND PEGS AND ROPES provided TO SECURE INTO THE GROUND. To easily insert stakes into the ground, it is recommended to wet the ground first. To avoid damaging garden stakes when inserting into the ground, select a spot in soft, rock-free soil.
- Protect from extended exposure to strong direct sunlight.

DISPOSAL

- Coopers of Stortford use recyclable or recycled packaging where possible.
- Please dispose of all packaging, paper, cartons, packaging in accordance with your local recycling regulations. Plastics, polybags – this is made from the following recyclable plastic.
PE
- At the end of the product's lifespan please check with your local council authorised household waste recycling centre for disposal.
