GAINSBOROUGH
Garden & Wildlife

Dimensions

(H) 30.5 x (W) 30.5 x (D) 1cm

Material: Steel

- BEAUTIFULLY COLOURFUL MANDALA WIND SPINNER
- INTRICATELY LASER CUT STEEL THE VIVID PATTERNS AND COLOURS WILL REFLECT THE SUNLIGHT AND CREATE A 3D EFFECT IN THE BREEZE
- MANDALAS ARE GEOMETRIC SYMBOLS AND SHAPES THAT OFTEN REPRESENT THE UNIVERSE, LIFE AND SPIRITUALITY
- HANG IN A POSITION WHERE IT CAN CATCH A BREEZE AND SUNLIGHT TO ENJOY IT THE MOST
- TO AVOID DAMAGE THE MANDALA SPINNER COMES FLAT, SIMPLY SEPARATE THE SECTIONS BY HAND BEFORE HANGING

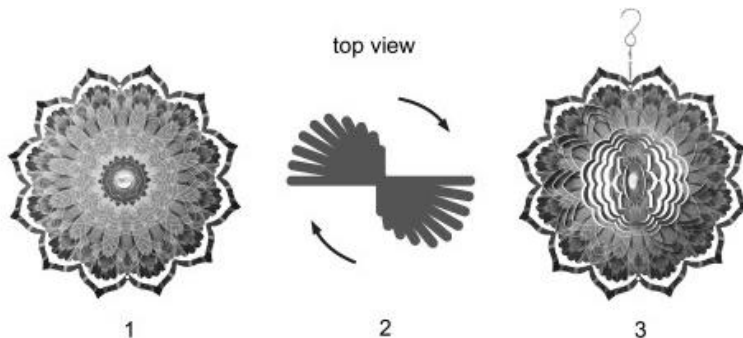

ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

Unpack the components carefully. Please check all parts have been removed from the packaging.

Step 1 Carefully remove the spinner from the packaging.

Step 2 With the spinner oriented with the hanging holes positioned at the top and bottom, gently push on the centre of each of the spinner sections to fan out the blade rings with equal spacing. Use caution when fanning out the blade rings, since this is laser cut metal and can have sharp edges. Use a light pair of gloves, if available. Note that the less the blade rings are fanned out, the more the spinner will catch the wind.

Step 3 Attach the included swivel and hook to the top hole of the spinner and hang up in a location that will be exposed to wind. The spinner can be hung from a shepherd's hook (not included), tree limb or hanger, soffit or arbour, or any other location where it can catch the wind. The décor can be hung from a simple cup hook (not included) if needed. For the best display, be sure there is enough unobstructed space.

Warning: If you are expecting unusually strong, sustained winds, take down the spinner to avoid damage.

Care and Maintenance

Wipe away accumulated dust or dirt with a damp cloth.

DISPOSAL

- Coopers of Stortford use recyclable or recycled packaging where possible.
- Please dispose of all packaging, paper, cartons, packaging in accordance with your local recycling regulations.
- At the end of the product's lifespan please check with your local council authorised household waste recycling centre for disposal.
