CAUTION:

- Please read these instructions carefully before assembly. Ensure all the parts are present and correct and organize all parts before you begin.
- Assemble product on a clean and soft surface, such as a piece of carpet, so as to prevent the surface paint from scratching.
- Do not fully tighten all the bolts until the bench is fully assembled. Once complete place the bench on a flat level surface before tightening the bolts fully.

ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

Unpack the components carefully. Please check all parts have been removed from the packaging.

Please note:

- **DO NOT OVER TIGHTEN THE BOLTS.**
- Please check if you have all the parts as listed. The quantities listed are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.
- To clean your furniture we advise using warm soapy water. Use a mild cleaner to avoid damaging the finish. Apply the cleaner using a soft hand brush which will help loosen any stubborn dirt.
- Once clean, the soapy water can be rinsed off with fresh water, then the set will need to be thoroughly dried prior to storing.
- Do not store this set away whilst wet.
- We recommend the furniture is stored away when not in use to prolong the life of your product.
- Care should be taken when sitting down on the furniture with any sharp objects (garden tools or knives) in your pockets, as these could tear any fabric or pierce through the resin weave, causing irreparable damage.
- Any cushions should be stored away in a dry location out of direct sunlight.
