3 piece garden furniture set made up of 2 chairs with a high back and arms and a table.

- Made from durable plastic that looks just like rattan, but you don't have to worry about leaving this out all year round!
- Lightweight so you can move to the best spot in your garden with ease
- If you did want to store it away its easy as you can take them apart and they go completely flat, perfect if you only have a small shed or garage
- Comes complete with 2 cream cushions.

WARNING:

- Peg and slot assembly.
- Ensure pegs are properly inserted and seated. Tap firmly into position. Do not use a hammer or force parts together.
- Use on a flat surface.
- Take care when opening or folding up: risk of finger entrapment.

CHAIR ASSEMBLY:

Step 1

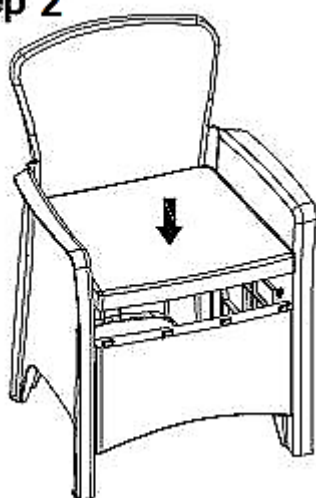

Fold side panels in by 90° and connect with front panel.
Align pegs with slots.
Insert pegs into slots and push down until it clicks and locks in place.
Do not use hammer.
Repeat on the other side.

Helpful Tips

If you lay the chair on its back and connect the front section of the chair (as seen in the photograph) push align the pegs with the slot and push together. Then bring the whole chair round align the pegs and push down. Put the chair upright so it is on 4 legs then push down in the front section to click in place.

Step 2

Place seat pad on top.
Align pegs with slots.
There are 8 to line up.
If you line up the back 2 first and push into the back and push down then line up the front and click into place the side one will line up. Then go round and push down they will click in place. Then put the cushion over the top.
