

X3 Magnifying Floor Lamp with Light

Thank you for purchasing our x3 Magnifying Floor Lamp with Light ideal for reading, crafts and DIY. We hope you will be satisfied with your purchase.

Features:

- Powered by 3 x AAA batteries (not included)
- Magnification strength: x3
- Integrated LED Panel

Assembly Instructions:

1. Ensure all parts are present before assembly
2. Place all parts on a smooth surface, fix joint nut (B) on the base (A)
3. Attach metal pole (C) to the base (A) by twisting until tight
4. Link LED panel (E) to the gooseneck (D) to complete assembly
5. Insert the batteries (according to the correct polarities) and adjust angle / height to a desired position

Safety Instructions:

- Wipe with soft cloth only. Do not use any chemical or abrasive cleaners
- Turn off to cool down before cleaning or other maintenance
- Do not look directly at the lights
- Keep the lamp away from flammable materials
- Keep the lamp away from direct sunlight when not in use

Battery Warning:

- Do not mix alkaline, standard (carbon-zinc) and rechargeable batteries (including hydride)
- Do not mix old and new batteries
- Exhausted batteries are to be removed
- The supply terminals are not to be short-circuited
- Only batteries of the same or equivalent type as recommended are to be used
- Batteries are to be inserted with the correct polarity

Battery Disposal:

The wheelie bin symbol indicates the product and batteries must not be disposed of in the domestic waste as they can contain substances that are damaging to the environment. Please use designated collection points or recycling facilities when disposing of the item or batteries. Batteries should be removed from the product.

Contact your local waste disposal agency or your retailer for further information
