**Caution**

- This is not a toy, keep out of reach of children and animals.
- Do not touch the cover whilst in use as this can get hot.
- Do not look directly in to the Star Master Light to avoid risk of injury to your eyes.
- Always remove batteries if using an adaptor.
- This product is intended for indoor use only.
- Keep away from water.
- Turn off when not in use to save battery life.
- Remove the batteries if the Star Master Light is not being used for an extended period of time.

**Battery Warning:**

Do not mix alkaline, standard (carbon-zinc) and rechargeable batteries (including hydride).

Do not mix old and new batteries.

Exhausted batteries are to be removed.

The supply terminals are not to be short-circuited.

Only batteries of the same or equivalent type as recommended are to be used.

Batteries are to be inserted with the correct polarity.

**Disposal and Recycling of Batteries**

To protect the environment, batteries must not be thrown in the domestic garbage, nor disposed of in a fire as they contain dangerous materials. Please dispose of the batteries by taking them to the local waste collection service for recycling. Replacement batteries can be purchased at most electrical retailers.
