

A powerful, formulation that kills mould and mildew, and removes staining. For use in areas where there is a heavy and ingrained, mould build-up. Designed to allow for a longer dwell time, and greater penetration. Provides long lasting protection against re-growth. Safe to use on most surfaces.

DIRECTIONS FOR USE

1. Spread directly onto the surface, using a brush.
2. Leave to dwell for a few minutes. 3. Rinse away using a damp cloth.

IMPORTANT Causes eye and skin irritation. Contact with eyes and skin should be avoided. IF ON SKIN: Wash with plenty of soap and water. IF IN EYES: Rinse thoroughly with water. If medical advice is needed, have product container or label at hand. Do not use for medical or hygiene purposes. Do not mix with any other preparations. DO NOT INGEST. If product is ingested, then seek medical advice. Always test on an inconspicuous area prior to use and only proceed when satisfied with the results. Rinse hands after use. KEEP OUT OF REACH OF CHILDREN AND ANIMALS. Read Label before use.

<5% Chlorine based bleaching agents <5% Anionic surfactants
