**Please read this instruction manual thoroughly before starting and ensure you are familiar with the operation of your new Stretch Watch and Tennis Bracelet.**

This watch comes with an expansion band that should not need to be adjusted. To replace, carefully remove pins from the lug from the rear of the bezel. It is recommended that you take your watch to a professional jeweller or watch repairer for assistance.

## TIME SETTING:

- To set the time, pull up on the crown and rotate clockwise or counterclockwise to the correct time. Depress the crown until you hear a click – your watch is now set.

## BATTERY REPLACEMENT:

- This watch uses a 377 / AG4 button cell battery.
- It is recommended that you take your watch to a professional jeweller or watch repairer for assistance in replacing the battery to ensure the water-resistant seal is not damaged.
