Clear Spray and Seal provides a heavy duty, flexible coating that seals leaks instantly. It is ideal for use on gutters, drain pipes, roofs, waste pipes, window frames etc. It is effective on most surfaces including: concrete, brickwork, roof felt, slate, metal, plastic etc.

Directions: 1.Only use in open, well ventilated areas. 2.Shake can well before use. 3.Spray surfaces from a distance. For sealing larger leaks, fillers such as mesh or fabric may be used to act as a binder for the Clear Spray and Seal.

Note: may dry with a light-yellow colouring

SAFETY INSTRUCTIONS:

WARNING: Extremely flammable gas. Causes skin irritation.

Harmful if inhaled. Harmful if contact with skin. Highly flammable liquid and vapour. May cause drowsiness or dizziness. Causes serious eye irritation. May be fatal if swallowed and enters airways. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. DO not get in eyes, on skin, or on clothing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Store in a well-ventilated place. Keep cool. Spills can represent a risk of slipping due to the grain shape.

FIRST AID:

Following inhalation: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. Following skin contact: Rinse skin with water (or shower). If skin irritation occurs: Get medical advice/attention. Following eye contact: Remove contact lenses if present and easy to do, continue rinsing. If eye irritation persists: Get medical advice/attention. Following ingestion: Rinse mouth. Do not induce vomiting without professional instruction. Call a POISON CENTER or doctor/physician if you feel unwell.
