Towel Reviver

Towel Reviver is specifically formulated to soften your towels without losing the towel's natural absorbency properties. Many fabric conditioners make fabrics water repellent which detracts from the function of the towel. This product will give a luxurious finish to your towels.

Directions: Use your normal washing detergent but do not use conditioner. Add 50ml to the conditioning compartment of your washing machine. Allow washing machine to run a complete cycle wash. Dry as normal.

IMPORTANT:

Contact with eyes and skin should be avoided. **IF ON SKIN:** Wash with plenty of soap and water. **IF ON EYES:** Wash with plenty of water. If medical advice is needed, have product container or label at hand. Do not use for medical or hygiene purposes. Do not mix with any other preparations. Not to be taken internally. Always test on a small inconspicuous area and only proceed when satisfied with the results.

**KEEP OUT OF REACH OF CHILDREN
AND ANIMALS**
