

USE

- Plug into the mains socket and switch on at the plug.
- Adjust the temperature setting to the desired level:
 - 0 = Off
 - 1 = Low heat
 - 2 = High heat

WARNING

- Remove all packaging before first use.
- Check the cushion, control handset and power cable for damage before use. **DO NOT** use if damaged in any way.
- **DO NOT** allow the control handset, power cable or cushion inner to get wet. Keep these parts away from high humidity and moisture.
- **DO NOT** fold, cut or pierce the heating pad.
- **DO NOT** cut or damage any part of the Heated Foot Warmer Cushion.
- **DO NOT** go to sleep during use. Extended use may cause burns.
- **DO NOT** use for warming animals.
- **DO NOT** place the control handset on or underneath the cushion when in use.
- **DO NOT** put large, heavy or other heated objects onto the cushion when in use.
- This is not a toy. **DO NOT** allow children to play with the Heated Foot Warmer Cushion.
- **DO NOT** unzip the cushion cover when in use.
- When unplugging always grasp the plug to remove from the socket. **DO NOT** pull on the power cable.
- The appliance is not intended to be operated by means of an external timer or separate remote control system.
- This appliance should not be used by children aged under 8 years and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge unless they have been given supervision or instruction concerning use of the appliance. Cleaning and user maintenance should not be undertaken by children under 8 years of age.
- Only use for warming hands or feet.
- Do not leave switched ON when not in use or unattended.
- Always switch OFF when not in use.

To warm hands
