

SET OF 2 HAIR REMOVER DISC (PRODUCT CODE N100257)

INSTRUCTION SHEET

Thank you for purchasing our Hair Remover Disc that is great for removing any unwanted body hair.

You can remove body hair completely and make your skin look clean and luminous. Any body hair re-growth will not become rougher or harder.

When removing body hair, do not rub too hard, just wipe the skin very gently and the hair will come off.

Do not scrub the skin or apply pressure as this may cause abrasion and soreness to sensitive skin.

If any tingling feeling occurs when doing this treatment, please stop immediately.

The light and rapid gentle rubbing efficiently removes hair from the skin, naturally exfoliates and can improve blood circulation.
