

Parts:

1x planter,
size: 35cm (diameter) x 28.5cm (H)

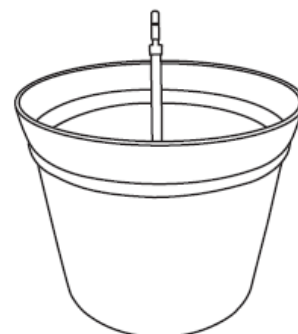

1x water indicator

1x base

Instructions:

1. Put the base into the planter ensuring the two protruding squares are covering the two holes in the pot.
2. Install the water indicator into one of the holes of the planter.
3. Add soil into the planter and add plants of your choice.
4. Water plant(s) through the holes in the sides of the pot, add water until water indicator shows "Max".

Guidelines:

1. Do not add any water above the maximum line.
2. If the water level shows less than the minimum line, you need to add water.

DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
