

### Parts

- Spinner Trim
- Lightweight Extension Pole
- Protective Debris Shield
- 24 Custom Cut Zip Ties

### How to use

- Fit the shield.  
To fit the shield, pull off the trim top and fit the shield ensuring the two grooves in the shield align as shown below.

Remove top (pull hard).

Align where indicated by arrows.  
Refit top (push hard)  
Fit batteries (not included) and zip ties.

### Install the batteries

- Open the battery compartment cover on the side of the Spin Trim and install 6x AA batteries (not included). Replace the battery compartment cover.

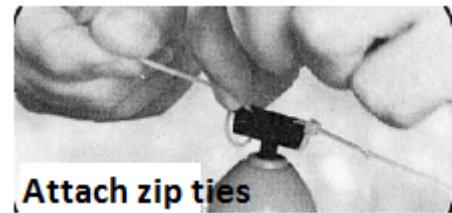

**Attach Zip Ties**

- Attach 2 zip (24 included) ties to Spinner Trim. Feed zip ties through the holes in the top and pull through connector to tighten.
- Slide the On/Off switch to the "On" position and start trimming.
- For hard to reach places, or to extend your reach, just screw on the extension pole and then slide to extend it to the exact reach you need. Twist anti-clockwise to extend, twist clockwise to lock. Extends up to 76cm/30".

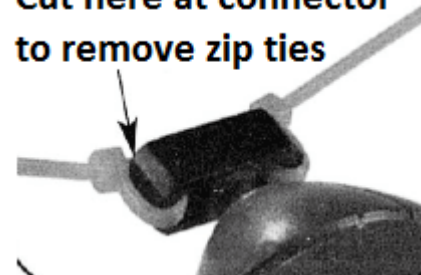

Spinner Trim works with standard zip ties. For custom trimming, you can cut zip ties to the exact length needed.

**How to remove:**

- Using scissors or a utility knife, carefully cut off at connector.

**Cut here at connector  
to remove zip ties**

**WARNING:**

**Please use caution when using Spinner Trim.**

**Eye Protection:** Wear proper eye protection whenever you operate the unit.

**Hand Protection:** Wear work gloves to improve your grip on the handle.
