

GAINSBOROUGH

Garden & Wildlife

ASSEMBLY INSTRUCTIONS:

**Dimensions:**

Height: 90cm

Width: 32cm

Depth: 8cm

Weight: 580g

Turn on the solar panel setting the switch to the "ON" position.

Position the light in a sunny location. Charge the solar product by placing it under direct sunlight for at least 6 hours.

The light will work automatically. It will charge under direct sunlight during the day time and illuminate at night.

BATTERIES

1pc AAA Ni-MH battery (included)

- Keep batteries away from children and pets.
- Remove the batteries if left for long periods.
- Never dispose of batteries in a fire.
- Battery disposal, spent or expired batteries must be properly disposed of and recycled in compliance with local regulations. For detailed information, contact your local authority.
- Follow the battery manufacturer's safety, usage, and disposal instructions.

DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan, please dispose of it at an authorised household waste recycling centre.
