Freezer Defroster

Formulated to quickly and effectively clear the build-up of ice. Helps prevent damage to the freezer pipes through the accumulation of frost. It will aid the household maintenance process, and efficiency of your freezer.

300ml

DIRECTIONS FOR USE

1. Ensure appliance is turned off and unplugged from mains.
2. Empty the fridge or freezer prior to use.
3. Spray onto the surfaces.
4. Leave to dwell for 2 minutes before washing the area with warm soapy water.

Note: It may be necessary to repeat the application process, dependant on the thickness of ice.

Health & Safety

Highly flammable liquid and vapour. Causes serious eye irritation. May cause drowsiness or dizziness. Take precautionary measures against static discharge. Avoid breathing vapours. Use only outdoors or in a well-ventilated area. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Keep out of reach of children and animals. Read label before use.

Contains amongst other ingredients: De-natured alcohol
