Steam Mop Detergent

Adding steam detergent to your machine will help break down the dirt and grime whilst steaming. This pleasant, clean and fresh fragrance will also neutralise odours and help to eliminate germs.

Directions for use:

Vacuum the area thoroughly before using your steam machine. Shake bottle well before use. Pour 1 cap full of the steam detergent into your water tank. Top up the rest of the tank with water as directed by the manufacturing instructions. Clean/steam as normal.
