### Spray Mop Detergent

Adding spray mop detergent to your machine will help break down the dirt and grime whilst cleaning. This pleasant, clean and fresh fragrance will also neutralise odours and help to eliminate germs.

### Directions for use:

Vacuum the area thoroughly before using your spray mop. Shake bottle well before use. Dilute 1 part detergent to 10 parts water and pour the mixture into your detergent tank up to the fill mark. Use the mop as directed by the manufacturer.

### Health & Safety

Contact with eyes and skin should be avoided. **IF SKIN CONTACT OCCURS:** Wash with plenty of soap and water. **IF LIQUID GOES INTO EYES:** Wash with plenty of water. If medical advice is needed, have product container or label at hand. Do not use for medical or hygiene purposes. Keep away from children and animals. Do not mix with any other preparations. Not to be taken internally. Always test in a hidden area prior to use. Only proceed when completely satisfied with the effects and the results of this product.

**Contains amongst other ingredients:** <5% Anionic surfactants, Perfumes
