

E564: Supercoil Hose Holder 10002

Instructions

Parts list

A – 1x Green base

B – 2x Silver Metal Tube Poles

C – 2x Black Metal Holding Rods

D – 1x Green Handle Top

Step 1 - Place the 2x silver metal tube poles (B) in holes 1 and 2 at the back of the green base as shown below.

Step 2 - Place one end of each black metal rod (C) into the smaller holes (3 and 4) just in front of holes 1 and 2.

Step 3 - Once all poles are in, place the green handle (D) on top of the 2x silver metal poles.
