

8 Step Aluminium Ladder 10092

Please read carefully before use and retain for future reference.

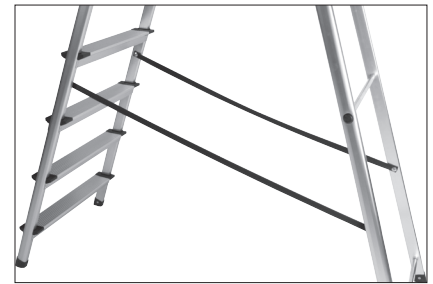

Instructions

v001: 29/04/15

ASSEMBLY

- Unfold the ladder fully until the 2 safety straps are stretched into place.

- Click the top step into place.

- Slide the tool tray into position and secure with the screw provided.

- To fold down, lift the top step and fold the legs together.

WARNING

- Always ensure ladder is fully unfolded and hinges, footplates and safety locking clips are securely in position before use.
- Do NOT use if damaged in any way.
- Maximum weight load limit: 150kg (23st 8lb).
- Do NOT exceed maximum weight load limit. Only one person should mount the ladder at any time.
- Always take care when mounting and dismounting. Always mount and dismount facing towards the ladder.
- Always clear the work area of any hazards or obstacles before use, including overhead.
- Always wear suitable footwear when using the ladder.
- Do NOT lean from the ladder. Always re-site the ladder to a more suitable position.
- Only use on a firm, flat and level surface.
- Periodically check that all nuts and bolts are secure and joints are well lubricated.
- For domestic use only.
- Children should be kept away from the work area. Do NOT allow children to climb on the ladder.
- Do NOT stand on the ladder rear support bar.

Disposal of Packaging:
Dispose of the packaging at your local recycling centre.
Dispose of paper and carton separately from plastic bags at your local recycling centre.
Dispose of the item at the end of its lifespan at your local authorised household waste recycling centre.
