

Parts:

Assembly:

- Attach support part C to 4 x leg parts B using screw F. (see Step 1).
- Attach table top part A to leg frame B using screw parts D. (see Step 2).
- After you have completed the above steps, fully tighten all screws.
- The table is now ready for use.

Maintenance and Use:

- Periodically check and tighten all screws to ensure table is stable and safe to use.
- Max weight load is 70kg.
- Clean with warm soapy water. Avoid using abrasive cleaners on this piece.
- This table is made from cast iron and steel.
- Suitable for indoor and outdoor use. Cover during inclement weather conditions.

Please read and retain for future reference.

Disposal

- Dispose of all paper, cartons and plastic in accordance with your local recycling regulations. At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
