

Side Walls 10602

For 2x2m Gazebo UV 50+ 10601

Please read and retain these instructions for future reference

Instructions for Use

v001: 09/11/16

PARTS:

4 pieces of panel including 2 side walls with 3 church windows, 1 sidewall with zipper
To fit 2x2m Gazebo UV 50+ (not included) (Item Code 10601)

CAUTION

Do not use or try to erect in windy conditions. This may cause injury or damage to the gazebo.
Keep away from fire!

ASSEMBLY

The side panels are attached to the gazebo by hook and loop straps which are wrapped around the frame. Attach the two top corner straps on each panel first. On the side walls, the end without straps is to be positioned at the bottom touching the ground.

CLEANING INSTRUCTIONS

- Before storing it is advisable to clean your gazebo using clean, warm water and a soft, clean cloth.
- Allow to dry fully before storing.

DISPOSAL

- Dispose of all packaging, paper, cartons and plastic, plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
