## CARE AND USE

- Wash thoroughly before first use.
- Do not use in the oven.
- From time to time, the handle/s on your cookware may need tightening, this can be carried out with a standard cross-head screwdriver (do not over tighten).
- Use of oven gloves is recommended when handling hot dishes.

## CLEANING INSTRUCTIONS

- Dishwasher safe. We do recommend hand wash for prolonged lifespan of any product.
- Do not allow any excess liquid to dry in the handle bowl or within the valve.
- Pour a small amount of detergent into the bowl allowing it to disperse.
- Run under a lukewarm tap until clear of detergent and fully cleaned.
- Stand lid on its side to allow drainage of excess water, hand dry immediately after.
- Do not use metal tools or scouring pads.

## DISPOSAL:

- Dispose of all packaging, paper, cartons and plastic, plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
