Emergency Alarm Waterproof 10712 Instructions for Use

Please read and retain these instructions for future reference

v001: 28/11/16

LED pattern:

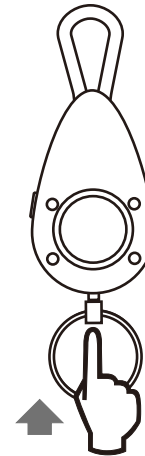

For Emergency

* To activate

Pull the metal ring to activate the alarm. When the pin is pulled out, the emergency alarm emits a high pitch siren sound and LED will flash

* To stop

Push the pin in to stop the siren sound and LED flash.

WARNINGS / CAUTIONS

- Do not carry Emergency Alarm within close range of your ears as the high-pitch alarm sound may cause injury to hearing.
- This product is not a toy and should be activated only in an emergency situation.

BATTERIES

- Keep batteries away from children and pets.
- Do not mix used and new batteries.
- Remove the batteries if left for long periods.
- Never dispose of batteries in a fire.
- Battery disposal, spent or expired batteries must be properly disposed of and recycled in compliance with local regulations. For detailed information, contact your local authority.
- Follow the battery manufacturer's safety, usage, and disposal instructions.

DISPOSAL

- Dispose of all packaging, paper, cartons and plastic, plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household WEEE waste recycling centre.
