

Please read this instruction manual thoroughly before starting and ensure you are familiar with the operation of your new Scented Dehumidifiers.

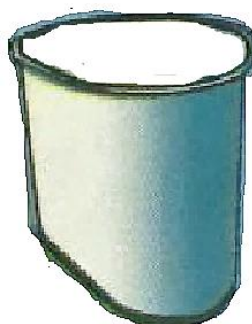

Scented Dehumidifiers help to fight damp and mould while improving the air quality in your home. Scented Dehumidifiers can be placed in the kitchen, bedroom, wardrobes, storage units, bathroom or even your caravan!

Fragrances: Ocean, Lemon, Lavender.

Ingredients:

Calcium Chloride and Fragrant Particle.

Instructions for use:

1. Remove the plastic lid.
2. Remove aluminium seal.
3. Do not break the moisture-permeable white sheet under the aluminium seal.
4. Replace the plastic lid and place in the desired location (protects approx 120ft²).

DISPOSAL

Toxic to aquatic life with long lasting effects. Do not dispose of in drains, ponds or waterways.

May cause eye irritation or an allergic skin reaction.

- Avoid contact with skin and eyes.
 - If on skin: wash with plenty of soap and water.
 - If skin irritation continues seek medical advice/attention.
 - If in eyes: rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do and continue rinsing. If eye irritation persists please seek medical advice/attention.
 - Keep away from children and pets.
- If leakage occurs when handling this substance: wear protective gloves and suitable eye protection. Wash hands and any part of skin/body that has come into contact with this substance with plenty of soap and water.
 - Once crystals have exhausted and/or tray is completely full of water, you can dispose of the product by placing in a plastic bag and throwing away carefully with normal household waste.
