

ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

Installation

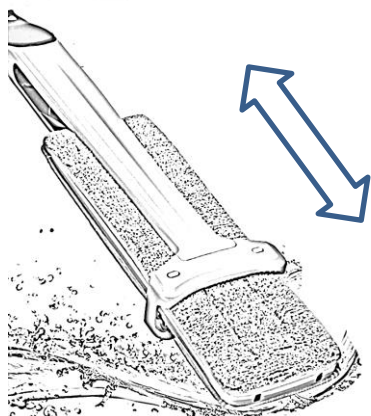

Connect part 2 with part 1.

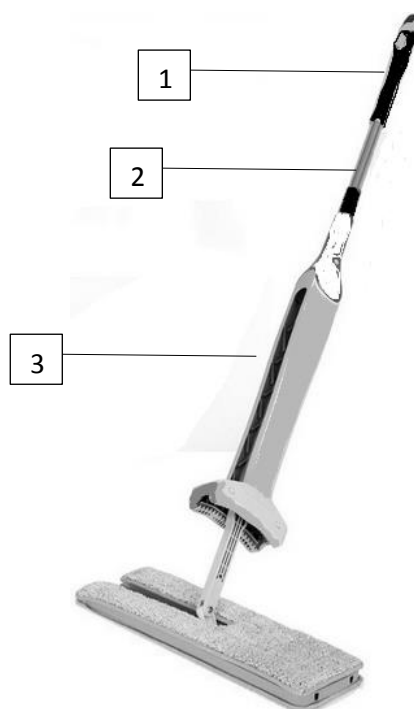

Connect assembled parts with the main body part 3.

- Cleaning pads are affixed on either side of the mop plate with hook & loop system.
- The cleaning head is double-sided and can be flipped from dirty side.
- Move plastic slider up and down to squeeze water from cleaning pad without getting your hands dirty.

Parts

CARE & CLEANING INSTRUCTIONS

- Mop plate can bounce back and stay vertical after mopping for upright, space saving storage and to let the mop dry naturally.
- Made from microfibre, cleaning pads can typically be used between 3 months and 6 months. Cleaning pads are machine and hand washable and reusable. Replacement pads are available (item code 11042).

DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
