

INSTRUCTIONS FOR USE:

- Tap jackets can be used for protecting outdoor taps. They are water resistant and prevent icing over of taps during the winter months whilst the tap can be used as normal.
- Tap jackets are easily fitted using a hook & loop fastening system.
- Tap jackets are suitable for most external tap systems.
- Width: 12cm when open. Overall length 22.5cm (not including hook and loop straps).

DISPOSAL

- Dispose of all packaging, paper, cartons, plastic and plastic bags in accordance with your local recycling regulations.
- At the end of the product's lifespan please dispose of it at an authorised household waste recycling centre.
